## **DETAILED ACTION**

*This is a supplemental allowance to consider the attached Information Disclosure Statements.*

### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Justine Wilbur on 10/5/2009.

Claims 7, 9, 12-21, and 23-25 are canceled.

### ***Allowable Subject Matter***

Claims 1, 2, 31, and 32 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art fails to teach the claimed process where the composition consists of only a microcrystalline wax and either natural rubber or polyisoprene rubber. The closest prior art, Manson and Zemaitis, requires the presence of at least one other compound in the composition and is therefore not applicable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
